Formal Opening Wednesday For Watergate East

A reception on Wednesday night will mark the formal opening of Watergate East, first of five buildings in the \$66-million complex of luxury apartments, a residential hotel, an office building and a shopping mall.

Some 1500 business and social leaders have been invited to attend the opening at the 13-story apartment building, located at the intersection of Virginia and New Hampshire avenues in Foggy Bottom.

A photographic exhibit, composed of pictures of Washington taken by Fred J. Maroon, will also be unveiled.

Watergate East has 240 apartments. When other buildings are completed, the complex will have some 900 apartments.
