**WATERGATE EAST:** A major, and highly spectacular, development in the recent resurgence of new downtown luxury apartments now takes a place on the Foggy Bottom skyline. This view shows a curving and free-flowing face of the 110-foot-high Watergate

East, a cooperative apartment building that is the first completed section of the total \$66-million Watergate development spearheaded by the Societa Generale Immobiliare, an Italian investment firm. (See story on Page K-4.)
